Mr. "Mule" Suttle:

I am the young
outfielder you scouted out May 30th
over in Philadelphia playing against
the Phil. Stars. I impress you so
much then on my playing ability
that you ask me to play with you
all the following day and to continue
playing until Newark reach Indianapolis
and then I could go home. But at
that time I had business at home
to settle first. Now that everything at
home is well taken care of, If you
still need me, I'm ready. Please
let me know what you intend to do.
Because I prefer playing with
Newark. The Cincinnati Buckeyes ask
for me but I much rather play with
you all. So please let me know if
you still care to have me. If not
I'll know what steps to take. I really
love to be with Newark when they
begin barnstorming with the Buckeyes.

Yours
Elijah Thissune
